

Concord Adex Investments - Concord Park Place - Public Art - 'Selfie Susans'

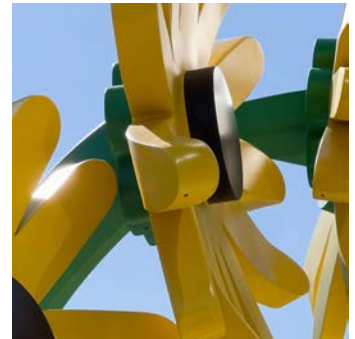

Location Toronto, ON
Designer/Architect Dana Slijboom
Duration Sept 2020 - Jun 2024

Scope - Soheil Mosun Limited was commissioned to design manufacture, build and install the public art exterior sculpture "Selfie Susans" by artist Dana Slijboom for Concord Adex Investments at Block 11 of the Concord Park Place development in Toronto. Soheil Mosun Limited worked closely with the artist to help realize the vision of the piece.

Highlights - The sculpture is made of stainless steel that has been specially painted and coated. It is 10' in height covering an area of 5' square overall. There are three (3) unique flower head designs which are 20" in diameter, making nine (9) flower heads altogether. The pistil stems of the flowers are 1.7" in diameter painted stainless steel pipe. The circular pistil diameter is 4.4". The bow rope wrapping the flowers is 1" diameter painted stainless steel. The sculpture includes a stainless steel base plate, 1/2" thick and 48" in diameter. This is then set on a concrete plinth adding more height to the sculpture.
